## Letter from Chairman

I am writing this in an airplane coming back from the National Ski Council Federation meeting in Grand Targhee, Wyoming. The first night we were there it snowed. Snow in September. The first time I ever experienced that. I hope it is a sign for good things to come this season.

The Metropolitan New York Ski Council represents skiers & boarders from New York City, Long Island, Westchester and Southern Connecticut. The MNYSC is a proud member of the National Ski Council Federation. The Federation represents Councils throughout the United States. Their mission is to strengthen Councils, with industry participation, so they can better serve member clubs through communication, benefits, education and to influence issues relevant to snow sports. The MNYSC is run by people who volunteer their time. We are always looking for people to volunteer and help out.

The Council trip this season will be to Sun Valley, Idaho. It is a wonderful mountain and we plan on having a lot of fun there. Last season, the Council went to Alyeska, Alaska. A great time was had by all. This is one of the benefits that the Council clubs enjoy. Another one is our annual race & party. We are going back to Pico Mountain this January. Last years race was a success & the Council raised over \$1,700 for the Wounded Warrior Project.

The Council has over 40 ski clubs. There is a ski club for everyone. All ski clubs have their own identity. Check out the clubs information in this guidebook. See what club interests you. Skiing or boarding with a group of people that a club provides offers many advantages. You can save on cost of a trip by lower prices for transportation, lodging and lift tickets. But the main advantage of joining a club is the FUN you will have while skiing or boarding with the new friends you made in your club. There are also club member discounts that are on the website [www.METNYSKI.org](http://www.METNYSKI.org) that is offered to the clubs that you as a member will be able to enjoy.

The Council is a part of many organizations. The National Ski Areas Associations, the National Ski Council Federation, United States Ski and Snowboard Association and the Snowsports Industries of America.

I would like to thank the advertisers in the guidebook. Their generosity and support made it possible for the MNYSC to publish this guidebook. Please support the Resorts, Mountains, Lodges and Ski Shops. Let them know you saw their ad in the guidebook.

This is my 8th year as Chairman. I enjoy the work involved with being Chairman, getting to go out to promote winter sports, through movie sponsorships, club meetings and events where I can speak to people about the joys of skiing and boarding. This season the Council is starting a scholarship program for the club members in the Council.

The clubs offer a lot to members. Some clubs have lodges near ski areas that are great for families. Some clubs like to travel. Find a club that is right for you. Just remember one thing. Have FUN and enjoy.

Hope to see you on the slopes.  
Michael Calderone, Chairman

## Introduction

THE METROPOLITAN NEW YORK SKI COUNCIL is a non-profit organization dedicated to the sport of skiing which embodies recreational skiing - Alpine and Nordic -and amateur ski competition, in the form of intra-club and inter-club races. Our interclub race, held continuously since 1936, is one of the oldest Alpine races.

The Met Council's ski clubs with a total membership close to 8,000 reflect all interests. Some recall our backgrounds, for example, the Norsemen, Swedish and German Ski Clubs; some our workplaces like Grumman or LILCO; others residence locations like New York, Suffolk and Garden City; and even National history - the Tenth Mountain Division. The Council is a forum for local, national and international skiing concerns. It organizes special events and presentations, develops programs, listens to gripes and praises, all part of the friendly and invigorating sport of skiing. Its efforts are very important in helping support the U.S. Olympic Team, the Ski Hall of Fame and working with the U.S. Ski Association and the National Ski Patrol System. "Special effort is continuing to work with the United Ski Industries Association, the new name for the merged National Ski Areas Association with the Ski Industries of America and now known as USIA, located at 8377-B Greensboro Drive, McLean, Virginia, 22102; re promotions geared toward safety in skiing programs and the new skier campaign".

American Skiing was born more than 100 years ago with the Nansen Ski Club of Berlin, N.H. and Norwegian settlers of Wisconsin, Minnesota and Michigan. After the turn of the century, the National Ski Association was formed, followed by its first division, The Eastern Amateur Ski Association chartered at Saranac Lake, N.Y. in 1922. When the Federation International de Ski (FIS) was formed (Chamonix, 1924) the National Organization joined them.

Due to the distance between New York City and these organizations the regional Met Council was begun here in 1934. Since then Eastern has dissolved and USSA has moved to Park City, Utah, making the Met Council an even more important forum for Eastern Skiing.

Founders of the Met Council were an important factor in leading the U.S. ski movement, and witness Roland Palmedo, who played a great part in the original development in Stowe, later starting his own ski area - Mad River Glen. He was instrumental in the early stages of the National Ski Patrol, carrying the number 2. About this time the Metropolitan New York Ski Patrol was formed with Ken Littlefield as chairman. The Patrol newspaper "Trail Sweep" was started by Ken Littlefield and later carried on by Tom Ludwig, also a council member. Another council member, John Clair, Jr., served for 25 years as Regional Chairman of the Metropolitan New York Region Ski Patrol.

Although fewer than ten percent of our membership actively compete, we enjoy and support competition.

Over the years this council has been host to American and Foreign ski teams and VIP's visiting the United States largely because of it's location and because of the efforts of the late John Clair, Jr.

# ANNUAL SKI & INTER-CLUB RACE DAY

Saturday, January 25, 2014

Pico, Vermont

[www.picomountain.com](http://www.picomountain.com)

Each year since 1936 the Metropolitan New York Ski Council has run an annual ski and inter-club racing competition. The competition, which features both alpine and snowboard races, is normally held during the later part of January. To ensure good participation, five events are offered: Main, Intermediate, Junior, Husband & Wife, and Snowboard. The competition draws serious racers and not so serious racers alike and offers a wonderful opportunity for members of the Council's clubs to meet, to compete, to ski together and to celebrate at the après ski party where medals are awarded and tentative trophy winner results are announced.

The competition is open to anyone who has been a member of a Metropolitan New York Ski Council club since January 1st of the year of the race, who is a bonafide amateur, who meets the eligibility requirements of the event entered, and who abides by the rules. Each year the following prized trophies are engraved and passed to the winners or to the winners' clubs.

First Main Event Team - Palmedo Trophy

First Intermediate Event Team - German Ski Club Trophy

First Intermediate Event Junior Team - Herbert Schneider Trophy

Fastest Giant Slalom Skier - Harry W. Voegel Trophy

## MAIN EVENT

First Elite Woman - Lillian Andlauer Trophy

First Senior Woman - Woman's Ski Association Trophy

First Woman - Harry Vallin Trophy

First Super Elite Man - Gene Worthley Memorial Trophy

First Elite Man - Matt Nuttilla Trophy

First Veteran Man - Eric Sand Trophy

First Man - Metropolitan New York Ski Council Trophy

## INTERMEDIATE EVENT

Fastest Woman - Grumman Trophy

Fastest Man - Allan Potts Memorial Trophy II

First Junior Girl - Larry Thain Trophy

First Junior Boy - Bernard Bauer Trophy

## SNOWBOARD EVENT

Fastest Snowboarder - Peter Endress Snowboarding Trophy

*Be sure to include this happening on your club's calendar of events! Racers, club members and friends of club members are welcome to attend the après ski party. Contact your club's Met Council Rep/Contact Person for more details.*

## NATIONAL SKI AREA FEDERATION HOLDS ANNUAL MEETING AT GRAND TARGHEE SKI RESORT

Delegates to the National Ski Council Federation's annual meeting Sept. 18-22, elected the following officers to serve two-year terms: Joe Harvis, President (New Jersey Ski & Snowboard Council); Dennis Heffley, Vice President (Bay Area Snowsports Council); Lisa Beregi, Secretary (Crescent Ski Council); Cheryl Mann, Treasurer (Texas Ski Council).

Jess McMillan, U.S. free skiing national champion, gave the keynote address to the group.

Hosted by Grand Targhee Ski Resort, the meeting brought together representatives of 22 ski councils from across the nation, and 17 ski industry representatives.

The attendees awoke their first morning to the resort's first snow of the season.

"We saw that Grand Targhee offers quality dining and lodging in addition to great skiing on a vast terrain," said Joe Harvis, NSCF president.

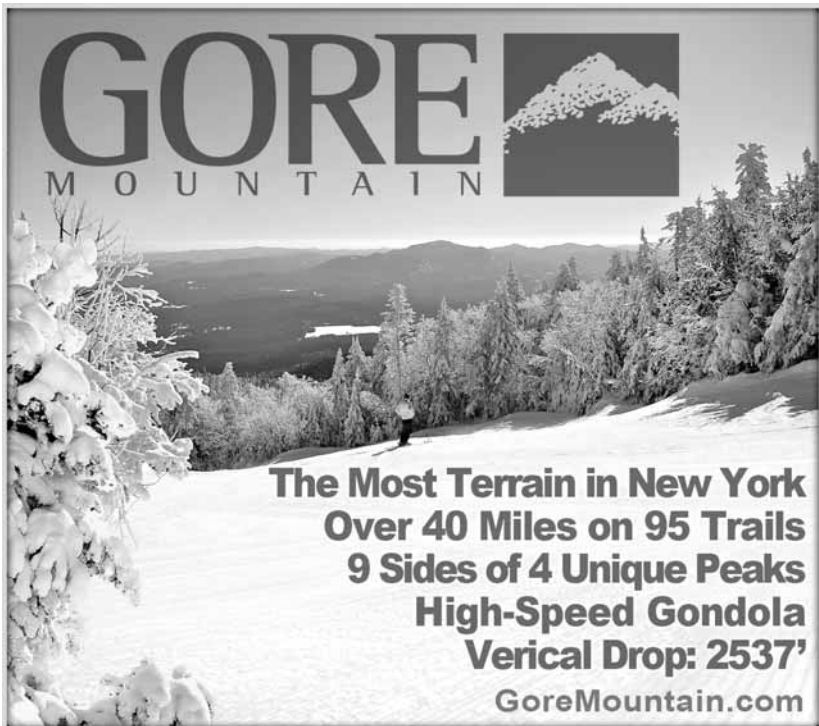

The National Ski Council Federation annual meetings provide maximum interaction between ski council delegates and representatives of ski resorts, tour operators and other industry organizations. Industry representatives are an integral part of the organization.

"Our industry partners designed the entire first day of the meeting," said Harvis.

"They facilitated discussions with delegates on strategic planning, analyzing strengths and weaknesses, and marketing."

In other sessions, delegates learned about how to optimize social media tools to attract members and keep them informed about club activities. Another valuable presentation and discussion involved records retention and cloud storage. Reddy Kennedy, SnowSports Industries America, spoke to the group about the state of the industry and presented the results of SIA's extensive snowsports participant surveys.

The delegates selected the Westgate Park City Resort for the Sept. 16-21, 2014 annual meeting.

# Hunter Mountain Mourns the Loss of Beloved

Co-Founder Orville A. Slutzky

February 13, 1917 - April 18, 2013

Hunter, NY – Orville A. Slutzky, age 96, the beloved co-founder of Hunter Mountain, passed away peacefully on April 18, 2013, in the company of loved ones.

Orville was born in Hunter on February 13, 1917 and raised on his parents' farm in Jewett, NY. The son of the late Isaac and Ella (Miller) Slutzky, he is survived by three children (Carol Slutzky-Tenerowicz, Paul Slutzky and Gary Slutzky), in addition to numerous grandchildren and great-grandchildren.

In September of 1939, along with his late brother Izzy, he started the I. & O. A. Slutzky Construction Company. In July 1942, he was married to Ethel Phillips. They shared 67 years together, until her passing on January 3, 2010. They were apart from each other for a time when Orville served as a U.S. Army First Sergeant during World War II.

In 1958, Orville and Izzy let it be known through an article in the New York Herald Tribune that they would donate land that they owned with the stipulation that it would be transformed into a ski resort. This was done in an effort to aid in the economic growth of the area surrounding the Village of Hunter. The only stipulations were that the ski resort had to be called Hunter Mountain Ski Bowl and that it had to have snowmaking. Hunter Mountain Development Corp. was founded and subsequently financed by New York City theater investors. The Slutzky brothers' crews sculpted the slopes and installed a double chair lift. Hunter Mountain opened to skiers on January 9, 1960. After two brief ski seasons, few paying guests, and mounting losses, the Hunter Mountain Development Corporation declared bankruptcy. However, the Slutzky brothers were not deterred. During the 1961-62 ski season, Orville and Izzy took over control of the ski area. Orville assumed his position as General Manager of the day-to-day operation of Hunter Mountain Ski Bowl, where he remained for half a century until his retirement.

In the community, Orville was a philanthropist who funded many community projects and helped countless people, often anonymously. At work, he was tireless and a treasured employer, working 12 to 14 hour days, seven days a week, year-round. Orville believed that "you've got to keep your mind and body busy or the ghosts will carry you away." Even after he stepped away from the helm, his indomitable presence can still be felt at Hunter Mountain. In 2007, Orville and his brother Izzy were honored with NSAA's Lifetime Achievement Award for their extraordinary commitment to the ski industry.

The Slutzky family, the Hunter Mountain family, and the ski industry as a whole mourn the loss of an innovator, a philanthropist, an inspirational leader, a father, grandfather, and a beloved spirit.

# THE METROPOLITAN NEW YORK SKI COUNCIL HISTORY

The Metropolitan New York Ski Council had its inception as the Central Ski Committee in 1934. Representatives from 6 clubs met for the purpose of finding a way to bring skiing information to New York and to blaze the trails for the adventuresome to escape to the Winter Wonderland.

Drawn together by mutual interests, they worked in close harmony with the press and the Northland in an endeavor to evolve a uniform method of snow reporting.

The Council found and developed its own area at Norfolk, Connecticut, got ski trains to run there, and promoted weekend snow trains to the Catskills, Vermont, and the Laurentians. It got snow reports into the New York SUN, established a practice slope in Phoenicia, conducted interclub races which have been run ever since 1935, gave free instruction in Central Park, infected thousands of city dwellers with the ski bug by sponsoring movies, and helping promote the first winter sports show in New York City. This Council formed the Metropolitan Ski Patrol shortly after the NSPS was started. Ken Littlefield put out a bulletin, TRAIL SWEEP, which has become the National Ski Patrol's house organ.

Over the years this council has been host to foreign ski teams visiting the United States, largely because of its location and because of the efforts of the late John J. Clair Jr. It has also been a leader of the revival of ski touring.

## **The following is a highlight of events throughout the years:**

**November 1940** - The Metropolitan New York Ski Council met with ski writers. The meeting was devoted to an exchange of ideas between the members of the council and the press. Means of facilitating snow reports were also discussed. **November 1940** - The Amateur Ski Club, member of the Council, sponsored a meeting to award Minot Dole, Chairman of the National Ski Patrol, with the United States Eastern Amateur Ski Associations Safety Trophy. **November 1943** - The Swedish Ski Club, one of the most active ski clubs of the east, contributed 17 members to the United States Ski Troops. **December 1947** - The Amateur Ski Club hosted the United States Olympic Ski Team before they were sent off to the Fifth Winter Games at St. Moritz, Switzerland. **November 1949** - The Metropolitan New York Ski Council was designated by the National Ski Association of America to serve as the official reception committee to welcome all foreign skiers for the world championships to be held at Lake Placid, New York and Aspen, Colorado this winter. At this time the Council had 28 clubs and 7500 members. **October 1950** - The Metropolitan New York Ski Council had 30 clubs and close to 10,000 members. **January 1952** - The Metropolitan New York Ski Council hosted the United States Olympic Nordic Ski Squad before they departed to Oslo, Norway for the Sixth Winter Games. **1957** - The Metropolitan New York Ski Council's Ski Development Committee worked with New York State with forming new ski areas in the State.

## **Past members of the council who had an influence in the ski community:**

**John J. Clair Jr.** - The Chairman of the 1956 United States Olympic Ski Games Committee. John has also held key positions with the National Ski Association of America, National Ski Patrol System and The United States Eastern Amateur Ski Association. In October 1956, John was named winner of the American Ski Trophy, because of his many contributions to the sport. In May 1970, John was inducted into the Ski Hall of Fame.

**Roland Palmedo** - The founder of Mad River Glen which opened in 1948. He was also an author of many books on skiing and developed one of the most extensive ski libraries in America. Roland was also a founding member of the National Ski Patrol.

**Harry Voegel** - President of the New York State Winter Sports Council, Vice President and Director of the United States Eastern Amateur Ski Association and he founded The Metropolitan Ski Jumping Committee. He was instrumental in forming ski clubs throughout the Metropolitan New York City area. Harry was also Director of the National Ski Association. This is the annual Ski Guide of the THE METROPOLITAN NEW YORK SKI COUNCIL. Looking to be more active? Be more social? Make memories? Join a sports & social club! We have many to choose from. Many of the members belong to more than one, so don't short yourself! Today the council has expanded to include a wide variety of sports & social clubs in every season.

Most of our clubs offer a wide variety of activities year-round including trips & day events. THE METROPOLITAN NEW YORK SKI COUNCIL is dedicated to making seasonal sporting events & trips available to all adults in the Metropolitan New York area. We encourage the interaction of clubs to promote economical recreational activities. We also offer clubs a means of sharing ideas and promoting trips.

Our council is a member of the National Ski Council Federation which currently has 29 councils across the nation. As a member of a club as listed in this ski guide, you have access to additional benefits from sporting and travel industries. See their website for more information at [www.skifederation.org](http://www.skifederation.org).

Thank you for taking an interest in the THE METROPOLITAN NEW YORK SKI COUNCIL. The council websites have industry information, club news, trip listings, council updates, and links to the club websites.

You can reach us at [www.metnyski.org](http://www.metnyski.org). You're in a club but not in the council? We can help you grow your membership & promote your activities. Join us! Please contact a council officer listed in this Ski Guide or fill out the form below. Mail to:

## White Plains Ski Club

70 members

Meet: Meetings are held once a month, October through April, at the Bradhurst Recreational Center in Hawthorne,

NY. Activities: Members of the White Plains Ski Club have

been enjoying skiing, winter and summer sports and outings and each other's company for almost 50 years. The WPSC is a fun and affordable way for you and your family and friends to enjoy skiing in winter and the beautiful Vermont countryside year-round. The lodge sleeps 32 and has large communal kitchen and dining areas, living room, a sunken fireplace, and room for equipment. Many of our members are avid downhill skiers, some are cross country skiers, and some don't ski at all. While Mad River Glen ("Ski it if you can") has a reputation for being a challenging mountain, our membership is comprised of expert, intermediate and beginner skiers who enjoy all that Mad River offers. We have both single and married members, some with children, some without. We have young members and "well-established" members. Despite our club name, our membership is spread throughout NY, NJ, CT and MA. Lodge: Skiers and non-skiers alike are invited to join us and discover our spacious and comfortable ski lodge within walking distance of the legendary Mad River Ski area in Waitsfield, VT.

## *Learn to Teach, or Learn to Ski or Ride Like a Pro!*

***Do you wish you could glide down the hills or through the moguls and fresh powder like the pros you see while riding the lift? Do you wonder what secret gift or talent makes it so easy for them?***

It's no secret, and you have the talent! The fact is, you can become a better skier or snowboarder by learning and applying certain basic skills.

You can learn these skills by joining **ASIA (Amateur Ski Instructors Association)** and taking our Ski or Snowboard Teaching Certification.

**Don't want to teach?** That's OK, join us for one of our many fun, two day, on snow instruction programs.

ASIA is a non-profit, professional snowsports organization formed in 1980 and run by its membership. We've trained and certified thousands of ski club members like you. ASIA is a member school of the Professional Ski Instructors of America (PSIA), just like most mountain schools, and offers top quality, professional instruction at a very reasonable cost to members.

Folks participate in the four day ASIA Teaching Certification programs to learn to teach others, then volunteer their time in a structured club, church, or school instruction program.

Many folks use ASIA Certification as a first step toward becoming a member of PSIA without having to join a mountain ski school. Others use the program simply to drastically improve their skiing or riding, as well as their understanding of the sport.

***Everyone looks forward to the fun, camaraderie and learning opportunities our programs provide.***

It's easy to become an ASIA member! Just go to [www.asiaski.org](http://www.asiaski.org), download our membership application, and mail it to ASIA with your dues payment.

To take a program, check the ASIA schedule for an event near you. Download the program application, mail it to the ASIA office with your check for the program fee, and start looking forward to the season when you learn to ski or ride like the pros!

***Come ski  
and ride  
with ASIA!***

Amateur Ski Instructors Association ~ [www.asiaski.org](http://www.asiaski.org)

# *Want to Carve up the Corduroy, Blast Through the Bumps, and Slice on Ice?*

Come spend a weekend on the snow with ASIA, getting pointers to improve your technique while meeting great folks who love to ski and ride!

ASIA offers programs for intermediate to expert skiers. Most famous are the popular Rally programs, which provide lifts, instruction, banquet and music to dance to as well.

In addition, your coaches will be hand-picked PSIA and CSIA coaches, with years of teaching and group handling experience, who love to share their knowledge of the sport with you.

We've been serving the snowsports community since 1980! Check out the schedule at [www.asiaski.org](http://www.asiaski.org) for details and updates, and sign up today.

## Ski the World with NYC Women Friends

127 members

This meetup is for women who love to ski or snowboard. In 2014, we have womens' ski houses at UTAH's Brighton Resort, Colorado's Winter Park, and coed trips to Sun Valley, and Vermont. The womens' ski house trips cost \$69/\$89 ppp nite, double/single. We stay slopeside or on the shuttle route so a car isn't needed. Women at any skill level can join these trips although they should have some experience.

For updates on a trip or meetup, RSVP!

Win a Jackson Hole ticket at our Free Ski Ticket Raffle Parties Sept 17 & Oct 24; RSVP for these meetups for more info. To sign up for a trip, come to the soonest meetup or contact the Organizer.

\* View a short tour through the ski houses and decide your room preferences

\* Sign up or learn more about the Women's ski house trips

Let's meetup soon, while there is still availability on the trips!

## Miramar Ski Club

278 members.

Meet: The membership meets quarterly at 71 West 23rd St, Room 2 West, NYC 10010-4190.

Activities: Miramar Ski Club is a not-for-profit organization that offers a warm, friendly atmosphere with year-around activities and social events. During ski season, the club offers convenient and no-hassle planning with same-week reservations for most trips. Bus trips are run every weekend from New York City (with a NJ and Long Island pickup, IIE exit 36) to our fully equipped lodge in Waitsfield, VT. Waitsfield is a charming village in the Mad River valley, convenient to Sugarbush, Stowe and Mad River ("Ski It If You Dare!") Our Vermont home is a converted 1830 gristmill that sleeps 52 people, usually two to a room, the maximum of four sharing a bathroom and linens and towels are included. In the mornings, the bus drops us off right at the mountain and picks us up in the afternoon in time for hot showers, a cocktail party and a hot dinner prepared by a chef. Cross-country skiers and boarders are welcome, and the bus will also take them and pick them up from the cross country skiing area. Our trips include discount lift tickets and great company for everyone from experts to beginners. Go to our web site for information on the Novice Downhill Skier Program to help defray the expenses of beginners or guests returning to skiing after many years. Cocktails, wine, happy hour and meals and lodging are all included in the low cost trips. The club also runs week long ski trips out West and to Europe and participates in club races.

During the spring/summer/fall, the club offers trips to the lodge to hike, bike and kayak (to name a few of the activities). Meanwhile, members get together throughout the year for baseball games, wine tasting events, clam bakes, city walks, annual dances, holiday parties, mid-week happy hours, etc.
