The Metropolitan New York Ski Council (MNYSC) was established in 1934:

Each year since 1936 the Metropolitan New York Ski Council has run an annual ski and inter-club racing competition.

The competition, which features both alpine and snowboard races, is normally held during the later part of January.

To ensure good participation, five events are offered: Main, Intermediate, Junior, Husband & Wife, and Snowboard.

The competition draws serious racers and not so serious racers alike and offers a wonderful opportunity for members of the Council's clubs to meet, compete, ski together and celebrate at the après ski party where medals are awarded and tentative trophy winner results are determined.

This competition is open to anyone who has been a member of a Metropolitan New York Ski Council club since January 1st of the year of the race, is a bonafide amateur, meets the eligibility requirements of the event entered, and abides by the rules (visit our website for rules and other details: <https://www.metnyski.org/race.html>).

MNYSC First Race History:

In 1936, the first invitational down hill race was sponsored by the Amateur Ski Club and Roland Palmedo. It was a four club race (Amateur Ski Club, Dartmouth Outing Club, Mt. Graylock Outing Club and Willams College Ski Club).

In 1937, the Council purchased a large Vermont Maple Trophy through the efforts of Roland Palmedo, to be known as the Council Challenge Cup.

This was to be emblematic of the team championship of the New York City Ski Council.

In 1999, the trophy needed extensive repair. In this process the cup was misplaced and never recovered.

In 2003, the council purchased a new trophy. It is also made from Vermont Maple.

With the excellent record keeping of the race results by Ewald Mathis from the German Ski Club, the history was recovered. The original shape was copied from a photo.

A large base was added to hold the history from 1936 to present and future.

The trophy was produced by the efforts of Fritz Krug from the German Ski Club, New York.

(In 1943, 1944 and 1945 no race was held due to World War II)

Because racers participating in the Intermediate event should not be faster than racers in the Main event, a race time test is imposed. Five of the fastest racers in the Main event were asked to forerun the Intermediate Giant Slalom and Slalom courses, and the three* fastest times were averaged. Any racer in the Intermediate Event whose time on either course is within 20%* of the averaged forerunner times is disqualified from all Intermediate race events and will not be considered when determining individual or team awards. In addition, disqualified racer(s) must be promoted to the Main Event for future races.
